DATE MAILED: 11/30/2006

Please find below and/or attached an Office communication concerning this application or proceeding.

Applicant's request to rescind the response filed October 10, 2006 has been denied. The Patent Office does not rescind amendments filed in response to a final Office action so that an amendment after the Advisory Action can be considered. The final rejection mailed September 25, 2006 closed the prosecution of this application and cannot be reopened by applicant's request for entry of this amendment. If applicant wishes the amendment filed on November 15, 2006 to be considered, applicant must file a request for continued examination under 37 CFR 1.114, the request including the amendment and fee set forth in section 1.17(e). Applicant also has the option of filing an appeal brief in response to the Advisory Action mailed October 26, 2006. Applicant's failure to either timely request continued examination under 37 CFR 1.114 or file an appeal brief will result in abandonment of this application.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to KEVIN L. LEE whose telephone number is (571) 272-4915. The examiner can normally be reached on MONDAY-THURSDAY.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, ERIC KEASEL can be reached on (571) 272-4929. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
